

# ZEBRA TC20

When it comes to choosing between the Zebra TC20 mobile computer and consumer-grade smartphones, well, there's no comparison. The TC20 has all the features you need to get things done. Other devices just don't.

# THE OTHER GUYS

## DOES IT HAVE A FAST, BUILT-IN SCANNER?

## WHAT HAPPENS IF MY BATTERY DIES?

*Snap on a fresh external battery pack.*

*Look around for a charging cable.*

## DOES IT HAVE WALKIE-TALKIE CAPABILITY?

*Roger that.*

*Negative.*

## WHAT HAPPENS WHEN A NEW OS IS RELEASED AND YOUR VERSION IS NO LONGER SUPPORTED?

*We keep you updated and secure so you can upgrade on your terms.*

*You must upgrade immediately to stay secure.*

## YEAH, BUT IS IT TOUGH ENOUGH?

*Tested with U.S. Military standards.*

*Breaks if you drop it.*

## WHAT KIND OF ACCESSORIES CAN I CHOOSE FROM?

*Single-Slot Cradle. Hand Strap. 5-Slot Cradle. Trigger Handle. RFID Sled. RFID Sled Cradle. Battery PowerPack. And we're just getting warmed up.*

*Maybe you can get a cute case.*
